## OUTINGS

### SATURDAY, APRIL 24, 2004

OPEN YARD at TOM BARNES home in Lexington. / 1733 Albemarle Road / Tom has over 150 species of wildflowers in his garden so be sure to take your camera with macro lens if you have one. Tom will also be signing his books, including his newest one Wildflowers and Ferns of Kentucky. The University Press of Kentucky.

LEADER : DONNA CLORE (859) 236-4484 / e-mail: dclore@uky.edu

### SUNDAY, MAY 2, 2004

Wildflower outing to Anglin Falls led by Jean Breeding and Linda Blummer. Meet at Jean's studio (596 Chestnut Street, Berea) at 7:30 am that Sunday. Call either one of them for more details and to register so they will know how many will be going.

### MAY 14-25, 2004

Trip to Grand Teton and Yellowstone National Parks. This is one of the best places for wildlife and scenics. Temperatures should be in the low 60s during the day and low 30s at night. As of now, 4 members are going....at different days and times. Call Neil or Donna for more information and if you want to go. We have reserved several rooms with the cost under \$80.00 per night and an SUV. Neil will have several of his photos at the April camera club meeting to give us a glimpse from his previous trips there. This would be a good way to use up some of your frequent flyer miles.

## PHOTOS IN COMMON

"Photos in Common", a newly-formed, Morehead-based camera club, is hosting a photography workshop featuring John Snell as its speaker. The workshop will take place Saturday, April 17th at the Stanton Christian Church in Stanton, Ky, only minutes from Red River Gorge and Natural Bridge State Park. John will provide lecture and slide shows from 9a.m. until noon, followed by an afternoon field trip to an outside location that will be announced at the morning session. Cost is \$20 in advance (by April 3rd) or \$30 at the door. Make checks payable to "Photos in Common" and mail them to Carol Shutt, 358 Johnson Flat Road, Hillsboro, KY 41049. Call Carol at (606) 780-9440 or email her at [cashutt@hotmail.com](mailto:cashutt@hotmail.com) mailto: [cashutt@hotmail.com](mailto:cashutt@hotmail.com) for additional information.

Directions to the workshop from Lexington: Driving time is approximately 50 minutes. Take I-64 east from Lexington. Just past Winchester, turn right onto the Mountain Parkway, then continue to exit 22 (Stanton). Turn left at the end of the ramp, go under the parkway and follow the road (Hwy 213, Main St.) for about a mile and turn left onto Church Street. Stanton Christian Church will be on the right. The workshop will be in the gymnasium sized building behind the church. The program will begin promptly at 9 a.m.

## Critique Group

The newly formed Critique Group met March 6th at Susan King's Studio at Anglin Falls. Four people from the club attended and more are welcome. We reviewed prints, ordered discount matting and learned what size mats are appropriate for particular sized prints.

I encourage everyone who can to attend this useful and interesting group. It will help give members an idea of what makes a good print, both from the composition and subject matter itself to the actual physical characteristics of the print itself. Depending on the turnout, bring up to 5 prints or slides to share with the others or any other interesting things you may have for discussion.

Anglin Falls is a few steps away and you can also take pictures there if you wish.

SATURDAY, April 12, 2004

10 am

Coffee and Danish will be served

Directions from Berea: We are nine mile from Boone Tavern. About 15 - 20 minutes from Berea. Take interstate to either Berea exit. Drive into town. At college square triangle and 4 way stop take 595 South (Scaffold Cane Road). This road runs out of town between Union Church and the Alumni Building. At the top of the hill just after Macedonia Baptist Church, Burnt Ridge Road and closed country store, take middle road which runs down hill by cemetery. This is Clear Creek but is unmarked. After a few miles you will come to Old Disputanta Post Office. Turn Left here. About 8/10 mile turn right on (unmarked) Anglin Falls Road, which is the first right you can make. One mile on left you will see sign TO ANGLIN FALLS. Turn left onto road. Studio is three car garage with barn siding. Address 541 Anglin Falls Road. Phone (606) 256-9349.

## 2004 DUES

2004 annual dues are \$20 and can be mailed to Neil Klemek, PO Box 427, Berea, Ky. 40403 or given to me at one of the meetings. Thanks.

## OUR FEATURED TUESDAY NIGHT SPEAKERS

Carol Leigh Woolever, a senior at Eastern Kentucky University, is pursuing a Bachelors Degree in Art with a minor in Visual Media. In the 2003 ECU Student Art Show, she won the Best Photography Award for a series of black and white prints. Working in the photography field for over eight years, she aspires to pursue a career in professional photography. Working with traditional black and white, color, and digital photography, she believes that photography as form of art provides an exciting and continuously changing field full of opportunities. Indicating her high commitment to photography as a life-long vocation, Carol Woolever remarks, "I have come to appreciate that the more I learn, the more I have yet to learn." Carol Woolever will share much of her provocative recent work at our next meeting.

Robert McGraw is a senior Independent Graphic Communication Major at Berea College. Robert is from Vienna, West Virginia and spent the fall, 2003 term studying various aspects of photography in Italy - photojournalism, immediate photography, fashion photography and digital photography. Robert has worked at Berea College as Head Photography and has worked in Berea College Public Relations.
