APOLOGY and EXCUSES

I want to apologize for not getting the newsletter out last month and not having a speaker lined up. I have several excuses, including the same old one that we need members to submit articles. Additionally, as always, we need your help in securing speakers for the meetings. Finally, I have been working on a "pet" project for the Humane Society, getting together a new brochure for their membership drive. I have enclosed a copy of the brochure to those of you with Madison County addresses. The brochure has taken time away from the Camera Club, which I regret. Hopefully, the brochure will help the Humane Society line up more members. All the photographs, with the exception of the cat (by Kate Gilbert) were taken by me for the brochure. The Humane Society is working to protect the welfare of the animals in our county and we are sorely in need of more members. Please consider joining the Society and I look forward to seeing you at the next meeting. Neil
